

From "Kha" - to eat. And "Aya" - to come.
In every Bengali and Sylheti home, it means just one thing: Come and eat with us.
A modern Bengali-Indian kitchen. Rooted in heritage, styled for now.
From the spice of Sylhet to the smoke of Kolkata,
our food honours the past - but moves forward with bold flavour and quiet flair.

A table worth coming to.

IT'S NOT JUST A NAME. IT'S AN INVITATION.
KHAYA. COME, LET'S EAT.
